

Alae - All Gived Up

Tom: D

Intro: Bm G Em

Well ain?t it funny how a man
 Can be summed up in seconds
 One look into his eyes and you've revealed his intentions
 And I wonder why it is
 At a quick glance impression
 Conceals all the good and even potential

[Bm G Em]

Ain?t it shit to know that kindness
 Is never gentleness
 Unless it's your mother in the bed of your father
 I guess

I've given up on love
 I've given up on life
 And I ain?t gonna change
 ?Cause I've given up on tryin?
 I guess

Well aint it good to know that time
 Can heal all the hurting
 A little break away is like a big ole stage curtain
 I wonder why it is
 No matter what people tell you
 You gotta do things yourself to find any value

[Bm G Em]

[Solo] G A Bm D

I aint gonna wait
 I aint gonna fight
 I'll just make sure
 That I don't share this time

I've Given up on faith
 I've given up on cryin?
 And I'll hold onto change
 ?Cause all we've got is tryin?

Yeah.....

Acordes
