

Alan e Aladin - Voltei Pra Você

tom:

Dm

Intro: Dm Gm C F
A Bb A

Agora que estou arrasado amor

Foi que resolvi voltar

É um pouco tarde eu sei

Talvez nem queira me aceitar

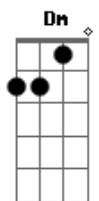

Foram tantas noites pensando

Que me forçaram a vir

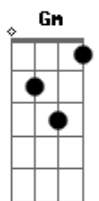

Eu me perdi em meus passos

Porque longe dos teus braços

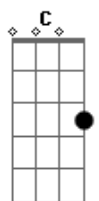

Acordes

Nem mais uma noite poderei dormir

Hoje voltei pra você

Tudo é tão triste lá fora

Todo mal que lhe causei

Somente vejo agora

Não se compara a você

Tudo que lá encontrei

Estou de volta querida

Pois descobri que a vida

Não é ficar sem você
