

Alan Andrade - Flor

tom: Cm

Ninguém notou, ninguém cantou
 Mas, eu estou de novo amor
 Uma vida inteira de paixão
 Eu sou amante de quem me amou

Ainda sinto o seu perfume, da minha cor
 O seu belo, liso, assanhado
 O seu vestido, você
 Lembra, fui eu, quem tirou
 A mesa, eu escuto, jogo
 Tiro de ouvido
 Uma canção

Acordes

0 tema incrível
 É você, verdadeiro amor
 Saiba que hoje eu acordo, pronto
 De cabelo amarrado
 É a tua força, que grita
 No meu jardim de flor
 Flor, flor, flor
 É todo seu
 O meu amor
 Oh! Flor
 Flor, flor, flor
 É todo seu
 O meu amor
