

Alan Bernardes - Dim Dom

Tom: E

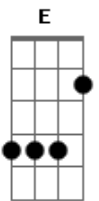

Um bem-te-vi no ramo da janela assobiou umas notícias suas
 Me entorpecí dancei com os figurantes entre amantes das noturnas ruas
 Só pra ver voce chegar
 Se eu soubesse o seu andar
 Um beija-flor mandasse uma flor do meu jardim brotasse em

horta tua
 E temperou meu bolinho de chuva numa tarde canela com açúcar
 Só pra ver voce chegar
 Se eu soubesse o seu andar
 Eu ia lá subia o elevador cantar minha canções de amor
 Dim dom me deixa louco com o tom do seu batom
 E despenteia a cabeleira de leão quiza se tu me olha beija-flor, eu vou...
