

Alan Jackson - As Lovely As You

Tom: B

(com acordes na forma de
Capotraste na 2ª casa A)

A big moon is risin' so bright in the sky
But it won't shine brighter than the stars in your eyes
It rises above me so bright and so blue
And I won't see anyone as lovely as you

Refrão:

Take me into the night
Pass these lonely dreams in my heart
I love you More than I can show you
More than I can know in my heart

So lay down beside me and hold me tonight
For your love has found me and it feels so right
These thoughts in my mind are so scattered and few
But I won't see anyone as lovely as you

Refrão:

Take me into the night
Pass these lonely dreams in my heart
I love you More than I can show you
More than I can know in my heart
In my heart
In my heart
