

Alan Jackson - As Lovely As You

Tom: B

(com acordes na forma de Capotraste na 2ª casa A)

A D A
A big moon is risin' so bright in the sky
But it won't shine brighter than the stars in your eyes
It rises above me so bright and so blue
And I won't see anyone as lovely as you

Refrão:

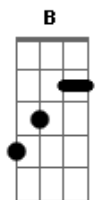

D Dbm G A
Take me into the night
Pass these lonely dreams in my heart
I love you More than I can show you
More than I can know in my heart

A D A
So lay down beside me and hold me tonight
For your love has found me and it feels so right
These thoughts in my mind are so scattered and few
But I won't see anyone as lovely as you

Refrão:

D Dbm G A
Take me into the night
Pass these lonely dreams in my heart
I love you More than I can show you
More than I can know in my heart
In my heart
In my heart
