Tom: E

A B E  
She said I don't usually dance this close to  
A E

her heart, But I saw you and thought that you looked

harmless, When you smile that way I'm not so sure you are

E A  
I said I don't usually come here for the dancin',

You can tell that by the way I move, When I saw you

I thought that it was hopeless, And I just had to

ask you for a dance or two

(Chorus:)  
Abm A E  
Somewhere in the stars it must be written, Girl  
A B E  
we've got to take this chance that we've been given,  
Abm A E  
If there's a heaven here on Earth I think we found it,  
A E B A  
If this ain't love, we're dancin' all around it.

(Bridge:)  
Abm A E  
Music stopped and we're still holdin' each other,  
Gbm B  
This feels like the beginning of forever,

(Repeat Chorus:)
