

# Alan Jackson - Every Now And Then

Tom: A

(com acordes na forma de G )  
 Capotraste na 2ª casa  
 Intro: C D G Em C D G D

The love you thought was dead and gone  
 Somehow keeps on hanging on  
 Even when your heart has left it far behind  
 Just when you have turned the page  
 It seems to find a way  
 There it is again  
 Every now and then

Refrão:  
 And every now and then that old feeling comes around  
 Every now and then I see your face in another cloud  
 And every now and then some old something takes me, right back again  
 Every now and then

You can finally breathe life in  
 Without wondering where she's been  
 Go to sleep at night without her on your mind  
 In a second it appears  
 Followed by familiar tears

Like a long lost friend  
 Every now and then

Refrão:  
 And every now and then that old feeling comes around  
 Every now and then I see your face in another cloud  
 And every now and then some old something takes me, right back again  
 Every now and then

(Instrumental)

And I know it's all for nothing  
 There's no going back to way back then

Refrão:  
 And every now and then that old feeling comes around  
 Every now and then I see your face in another cloud  
 And every now and then some old something takes me, right back again  
 Every now and then  
 I still love you  
 Every now and then

( C D G )
