 time is flowing from down deep inside your eyes

 Your beauty in and out
 F G C Am
 all around you not a single cloud
 F G C Am
 like the rain just stops before it hits the ground
 F G
 and puddles at your feet

Chorus:

C Am
 You're an angel
 F G C Am
 I know heaven wonders where you are
 F G C C Am
 like you fell of some old shining star
 F G
 riding to my heart
 C Am
 an angel,
 F G C Am
 when I'm with you I feel like a king
 F G C C Am
 just like out of some old movie scene
 G F G C
 an angel, everything but the wings

 it's hard to believe that you could feel the way I do

 if heaven calls you back if ask if you can stay

 you know they only made a few
