

Alan Jackson - Freight Train

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Intro: 8x: Em

I just came down from Chippewa, had as station wagon and a hundred dollars

Thinkin' about the girl I'd lost a year before

I hadn't seen her for some time, thought I might go on by

When your memory came floodin' in and you closed that door

Refrão:

Wish it was a freight train baby, wish it was a diesel locomotive

I'd come whistlin' down your track crashin' in your door

Wish it was a freight train baby, wish it didn't have a heart

You need a shovel for the coal just to get me started

Wish it was a freight train baby, wish it was a freight train baby (Refrão)

Wish it was a freight train

Well every time I talk to you I hear your jealous lines
I feel like I've been left abandoned on some old railway side

And every time I hear your voice my water just gets cold
My stoker will not stoke and my boiler will not boil.

(Refrão)

Instrumental: Em C D Em
Em C D Em

Well every time I fell behind I could not get ahead

I wish someone would pull the lever and give me a little sand

And every time I slip behind even further back

I wish some switch man would come out of the fog and change my track
