

# Alan Jackson - From a Distance

Tom: E

Intro: E A

Just Another Bar  
 With Loud Guitars  
 Smoke And Candles Burning Low  
 And The Same Ol' Boys  
 With Their Backs To The Bar  
 Staring Across A Crowded Floor  
 Then I Hear A Familiar Sound  
 Your Voice Laughing Out Loud

CHORUS

From A Distance  
 I Can See You  
 Dancing Slowly With Somebody New  
 But I Can't Hold You  
 Like I Want To  
 But I Can Love You

From A Distance (E A )

So I Take A Chair  
 In A Corner Somewhere  
 You Can't See Me  
 But I Can Look At You  
 And I Remember Those Times  
 When I Looked In Your Eyes  
 The Way He Now Looks At You  
 Deep Down I Know It's Over  
 But It Hurts Me When He's So Much Closer

CHORUS

E B A B7  
 If I Can't Hold You Near Me  
 I'll Just Hold On To Your Memory

CHORUS

I'll Always Love You From A Distance E A E
