

# Alan Jackson - From a Distance

Tom: E  
Intro: E A

Just Another Bar  
With Loud Guitars  
Smoke And Candles Burning Low  
And The Same Ol' Boys  
With Their Backs To The Bar  
Staring Across A Crowded Floor  
Then I Hear A Familiar Sound  
Your Voice Laughing Out Loud

## CHORUS

From A Distance  
I Can See You  
Dancing Slowly With Somebody New  
But I Can't Hold You  
Like I Want To  
But I Can Love You

From A Distance (E A )  
So I Take A Chair  
In A Corner Somewhere  
You Can't See Me  
But I Can Look At You  
And I Remember Those Times  
When I Looked In Your Eyes  
The Way He Now Looks At You  
Deep Down I Know It's Over  
But It Hurts Me When He's So Much Closer

## CHORUS

E B A If I Can't Hold You Near Me  
A I'll Just Hold On To Your Memory

## CHORUS

I'll Always Love You From A Distance

## Acordes
