

Alan Jackson - Its Five Oclock Somewhere

Tom: D
Intro: D G A D

The sun is hot and that old clock is movin slow and so am I
 Workday passes like molassas in wintertime but it's July
 I'm getting paid by the hour and over by the minute
 my boss just pushed me over the limit
 I'd like to call him something
 I think I'll just call it a day

Refrão:
 Pour me something tall and strong
 make it a hurricane before I go insane
 It's only half past 12 but I don't care
 It's five o'clock somewhere

This lunch break is gonna take all afternoon and half the night
 Tomorrow mornin' I know there'll be hell to pay but baby that's alright
 Ain't had a day off now in over a year
 my Jamacan vacation's gonna start right here

if the phone's for me you can tell em I just sailed away

Pour me something tall and strong
 make it a hurricane before I go insane
 It's only half past 12 but I don't care
 It's five o'clock somewhere

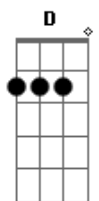

Ponte: D G A D

I can pay off my tab
 pour myself in a cab
 and be back to work before 2
 At a momment like this
 I can't help but wonder
 what would Jimmy Buffet do?

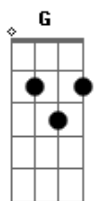

Refrão 2x:

Pour me something tall and strong
 make it a hurricane before I go insane
 It's only half past 12 but I don't care
 It's five o'clock somewhere
 (D G A D)
