

Alan Jackson - Kiss An Angel Good Mornin'

tom:

Ab (forma dos acordes no tom de G)

Capostrate na 1ª casa

Whenever I chance to meet some old friends on the street

They wonder how does a man get to be this way

I've always got a smiling face any time in any place

And everytime they ask me why

I just smile and say

You've got to kiss angel good mornin'

And let her know you think about her when your gone

So kiss an angel good mornin'

And love her like the devil when you get back home

Now people may try to guess the secret of happiness

But some of them never learn

It's a simple thing

The secret I'm speaking of

Is a woman and a man in love

And the answer is in this song that I always sing

You've got to kiss angel good mornin'

And let her know you think about her when your gone

So kiss an angel good mornin'

And love her like the devil when you get back home

Kiss an angel good mornin'

Let her know you think about her when your gone

So kiss an angel good mornin'

And love her like the devil when you get back home
