

Alan Jackson - Like Red on a rose

Tom: B

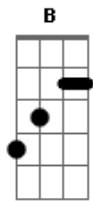

(com acordes na forma de
Capostrate na 4ª casa
Intro: G capo 4th fret

Like red on a rose
When your lips first smiled at me
I was captured instantly
To each his own
Like blue in the sky
The gaze of your willing eyes
Touched something deep inside
The truth be known

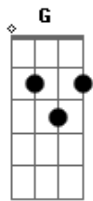

G)

That I love you like all little children love pennies
And I love you 'cause I know that I can't do anything wrong
You're where I belong
Like red on a rose
And I love you like all little children love pennies
And I love you like good times of which I've known many
And I love you 'cause I know you give me a heart of my own
You make my blood flow
Like red on a rose
