

Alan Jackson - Right Where I Want You

Tom: Gb

Gb Db
 I'm usually strong
 B Db
 Keep love all away
 Gb Db
 Wall around my heart
 B Db
 So it won't have to brave
 Ebm Bbm B Db Ddim
 But you take me some place that I've never been
 Ebm Bbm B Db Db7 Db7
 Now I don't know if I'll find my way back again

[chorus:]

Gb Db B Db
 Cause you've got me right where I want you
 Gb Db B Db Db9/7
 And there's not a thing I can't do
 B Db Gb B
 Completely consume all about you
 B Db B Gb

You've got me right where I want you
 Gb Db
 I close my eyes you're looking at me
 B Db
 You wake me at night walking round in my dreams
 Ebm Bbm B Db Ddim
 Windows are smell of roses in blue
 Ebm Bbm B Db Db7 Db7
 And all I can think of is last night's perfume

[chorus]

B Db B Db
 And I've never thought that I would get caught
 B Db7
 But here I am wrapped up in you

[chorus]

B Db Db7
 You've got me right where,
 B Db Db7
 You've got me right where,
 B Db B Gb
 You've got me right where I want you.
