

Alan Jackson - Tail Lights Blue

Tom: D
Intro: D

You got the last of all your stuff
 You got your car cranked up
 And I guess there ain't a thing that I can say
 I'm thinking as I'm standing here
 And suddenly it all comes clear
 As I watch you drive away

They should have made tail lights blue
 So when I see them go
 They'll look the way I do
 Just a pale blue glow
 They should have made I can't stay
 Sound like I love you
 You know they should have made tail lights blue

I know its gonna take some time
 To get you off my mind
 And forget how happy we once were
 I don't know how to bring you back

And as a matter of fact
 The only thing I know for sure
 Is that they should have made tail lights blue
 So when I see them go
 They'll look the way I do
 Just a pale blue glow
 They should have made I can't stay
 Sound like I love you
 You know they should have made tail lights blue

(G A D) (2x)

(G D A)

They should have made tail lights blue
 So when I see them go
 They'll look the way I do
 Just a pale blue glow
 They should have made I can't stay
 Sound like I love you
 You know they should have made tail lights blue
