Alan Jackson - Thank God For The Radio

Tom: D

```
   D                                Bm
On the wrong end of the highway
                                 G
When the long night has no end
                                 A
When theres no one there beside me

Till a hold you once again
                         D
Thank god for the radio
          A
When i`m on the road
           G
When i far from home
            D (D D D )
Feeling blue
                    D              A
Thank god for tha radio playing all night  long
         G
Playing all the songs
  G                   D
That mean so much to me and you
         A               G          D
There`s a song that we first dance too
         A                  G               D
```

```
There`s a song that they play the night wr met
  Bm       G          D
There`s a song we make love too
  Bm  G                     A
That`s a song i`ll never forget
                           D
Thank god for the radio
        A
When i`m on the road
         G
When i far from home

              D (D D D )
Feeling blue
                     D
Thank god for the radio
G                     D
playing all night  long
           A
Playing all the songs

That mean so much to me and you
                    D
Tank go for the radio
