

Alan Jackson - That's All I Need To Know

Tom: C

I had to look through our old pictures
 To see the way we used to smile
 Before we left love in the closet
 Like it just went out of style
 Can we pull out those old feelin's
 Wipe the hurt away like dust
 Make love shine the way it used to shine
 Find the gold beneath the rust

That's all I need to know
 Do you wanna stay together
 Just say let's don't let go
 And I'll keep holdin' on forever

Have the teardrops that you've cried
 Drowned the fire in your eyes
 Is there one flame beneath the smoke
 Tell me is there any hope
 That's all I need to know

Is it too late to recover
 Those old smiles we used to wear
 Can we save a love that once was strong
 Before it breaks beyond repair

That's all I need to know
 Do you wanna stay together
 Just say let's don't let go
 And I'll keep holdin' on forever
 Have the teardrops that you've cried
 Drowned the fire in your eyes
 Is there one flame beneath the smoke
 Tell me is there any hope
 That's all I need to know
 Is there one flame beneath the smoke
 Tell me is there any hope
 That's all I need to know
