

Alan Jackson - What a Day Yesterday Was

Tom: D

D
Looking through these old photographs
Em
Don't They bring some good memories back
Gbm G
Some of them make us laugh
A
And some make us cry
D
I'm glad we've kept all of these souvenirs
Em
To prove that our love was here
Gbm G
Look at how happy we were
A
Pictures don't lie

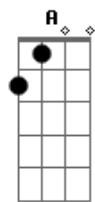

G A
If forever should end today
Gbm G
And there's no tomorrow for us
Em A D
What a day yesterday was

D

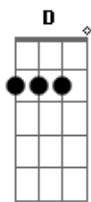

Here's one of us with you calm and cool
Em
But look at me acting a fool
Gbm G
And here's one of us on the ferris wheel
A
At the fair
D
Hey, haven't we had some fun
Em
The best may be yet to come
Gbm G
We may have a hundred years
A
Still left to share
But...

Bm G
Let's close this book of photographs
A D
And let's turn out the lights
Bm G
And love for the moment
A A
As if it were the last
