

Alan Jackson - Wild West Cowboys of Moo Mesa

Tom: G

Comet raised a mesa to the western skies.
 With the sound of a thousand cattle drives.
 A chosen few would see the light
 and fight the wrong with right.

Up on the mesa
 High above the clouds
 There's a world apart from all the rest.
 On Moo Mesa
 live the real cowboys

standing up for law and order
 and livin' by the code of the west.
 Cleanin' up the territory
 Keepin' evil on its toes
 Takes a different breed of riding, roping, brave heros.

On Moo Mesa
 live the real cowboys
 standing up for law and order
 and livin' by the code of the west.
 On Moo mesa!
