

# Alan Jackson - www.memory

Tom: G

(intro) G A G D

I know you're leavin', I see the signs,

you're gonna walk out on this heart of mine.

You'll never call me, you'll never write,

you've made your mind up, you're gone tonight.

If some rainy day you're all alone,

you feel like talking, you can log me on.

At www . memory I'll be waiting for you patiently,

if you feel the need, just click on me at www . memory.

( G D G A G D )

You won't even have to hold me or look into my eyes,

you can tell me that you love me through your keyboard and wires.

No, you won't have to touch me or even take my hand, just slide your little mouse around until you see it land.

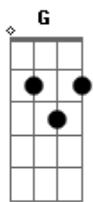

At www . memory I'll be waiting for you patiently,

if you feel the need, just click on me at www . memory.

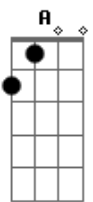

If you feel like love, just click on me at www . memory.

( G A G D )
