

## Alan Jackson - www.memory

```
( G D G A G D )
Tom: G
   (intro) G A G D
                                                                   You won't even have to hold me or look into my eyes,
                                                         D
    I know you're leavin',
                                I see the signs,
                                                                   you can tell me that you love me through your keyboard and
                                                               wires.
    you're gonna walk out on this heart of mine.
                                                                   No, you won't have to touch me or even take my hand,
    You'll never call me,
                                you'll never write,
                                                                   just slide your little mouse around until you see it land.
    you've made your mind up, you're gone tonight.
                                                               At www . memory I'll be waiting for you patiently,
    If some rainy day you're all alone,
                                                         Α7
    you feel like talking, you can log me on.
                                                               if you feel the need, just click on me
                                                               If you feel like love, just click on me
At www . memory I'll be waiting for you patiently,
                                                               memory.
if you feel the need, just click on me
                                                               (GAGD)
                                             at www .
```
