

# Alan Walker - On My Way

Tom: E

I?m sorry but  
 Don?t wanna talk  
 I need a moment before i go  
 It`s nothing personal  
 I draw the blinds  
 They don?t need to see me cry  
 Cause even when they understand  
 They don?t understand  
 So then when I?m finished  
 I?m all ?bout my business  
 And ready to save the world  
 I?m takin my misery  
 Make it my bitch  
 Can?t be everyone?s favourite girl  
 So, take aim and fire away  
 I?ve never been so wide awake  
 No, nobody but me can keep me safe  
 And I?m on my way  
 The blood moon is on the rise  
 The fire burning in my eyes  
 No, nobody but me can keep me safe  
 And I?m on my way  
 ( Db B A E A E B Db )  
 Lo siento mucho, pero me voy

Por que a tu lado me di cuenta que nada soy  
 Y me cansé de luchar y de guerrear en vano  
 De estar en la línea de fuego y de meter la mano  
 Acepto mis errores, también soy humano  
 Y tu no vez que lo Hago por que te amo  
 Pero ya, no tengo mas na' que hacer aquí  
 Me voy, llego la hora de partir  
 En mi propio camino seguiré lejos de ti  
 So, take aim and fire away  
 I?ve never been so wide awake  
 No, nobody but me can keep me safe  
 And I?m on my way  
 The blood moon is on the rise  
 The fire burning in my eyes  
 No, nobody but me can keep me safe  
 And I?m on my way

 (No, nobody but me can keep me safe)  
 So, take aim and fire away  
 I?ve never been so wide awake  
 No, nobody but me can keep me safe  
 And I?m on my way  
 The blood moon is on the rise  
 The fire burning in my eyes  
 No, nobody but me can keep me safe  
 And I?m on my way
