

Alan Walker - Tired

Tom: D

^{Bm} I see those ^G tears in your ^D eyes
^{Bm} I feel so ^A helpless inside
^{Bm} Oh love, there's ^G no need to ^D hide
^A Just let me love you when your heart is ^D tired

^{Bm} Cold hands, ^G red ^D eyes
^A Packed your bags at ^G midnight
^{Bm} They've been there for ^G weeks
^D I don't know what came by ^D me

^{Em} Just roll up a ^D cigarette
^G Just forget about this ^A mess ^{Bm}
^G Been waiting on the ^A sidelines
^{Bm} From the ^D sidelines

^D I see those ^G tears in your eyes
^D And I feel so ^A helpless inside ^{Bm}
^D Oh love, there's ^G no need to ^{Bm} hide
^D Just let me love you when your heart is ^A tired ^{Bm}
^D If your ghost pulls you up ^G high
^D And it feels like you've lost who you are ^{Bm}
^D My love, there's ^G no need to ^{Bm} hide
^D Just let me love you when your heart is ^A tired ^{Bm}
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you

^D Just let me love you when your heart is ^A tired ^{Bm}
^{Bm} When you whisper, I'm ^G alright ^D
^A But I see through your white ^D lies
^{Bm} But these walls don't ^G talk
^D And if they could, they'd ^A say ^D

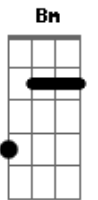

^{Em} Can't hide the ^D secrets
^G You can't forget about this ^A mess ^{Bm}
^G I'm waiting on the ^A sidelines
^{Bm} From the ^D sidelines
^D Just roll up a ^G cigarette
^D Just forget about this ^A mess
^{Bm} Been waiting on the ^D sidelines
^D From the ^G sidelines

^D I see those ^G tears in your eyes
^D And I feel so ^A helpless inside ^{Bm}
^D Oh love, there's ^G no need to ^{Bm} hide
^D Just let me love you when your heart is ^A tired ^{Bm}
^D If your ghost pulls you up ^G high
^D And it feels like you've lost who you are ^{Bm}
^D My love, there's ^G no need to ^{Bm} hide
^D Just let me love you when your heart is ^A tired ^{Bm}
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you
^D Just let me love you when your heart is ^A tired ^{Bm}
