

# Alan Walker - Tired

Tom: D

<sup>Bm</sup> I see those <sup>G</sup> tears in your <sup>D</sup> eyes  
<sup>Bm</sup> I feel so <sup>A</sup> helpless inside  
<sup>Bm</sup> Oh love, there's <sup>G</sup> no need to <sup>D</sup> hide  
<sup>A</sup> Just let me love you when your heart is <sup>D</sup> tired

<sup>Bm</sup> Cold hands, <sup>G</sup> red <sup>D</sup> eyes  
<sup>A</sup> Packed your bags at <sup>G</sup> midnight  
<sup>Bm</sup> They've been there for <sup>G</sup> weeks  
<sup>D</sup> I don't know what came by <sup>D</sup> me

<sup>Em</sup> Just roll up a <sup>D</sup> cigarette  
<sup>G</sup> Just forget about this <sup>A</sup> mess <sup>Bm</sup>  
<sup>G</sup> Been waiting on the <sup>A</sup> sidelines  
<sup>Bm</sup> From the <sup>D</sup> sidelines

<sup>D</sup> I see those <sup>G</sup> tears in your eyes  
<sup>D</sup> And I feel so <sup>A</sup> helpless inside <sup>Bm</sup>  
<sup>D</sup> Oh love, there's <sup>G</sup> no need to <sup>Bm</sup> hide  
<sup>D</sup> Just let me love you when your heart is <sup>A</sup> tired <sup>Bm</sup>  
<sup>D</sup> If your ghost pulls you up <sup>G</sup> high  
<sup>D</sup> And it feels like you've lost who you are <sup>Bm</sup>  
<sup>D</sup> My love, there's <sup>G</sup> no need to <sup>Bm</sup> hide  
<sup>D</sup> Just let me love you when your heart is <sup>A</sup> tired <sup>Bm</sup>  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you

<sup>D</sup> Just let me love you when your heart is <sup>A</sup> tired <sup>Bm</sup>  
<sup>Bm</sup> When you whisper, I'm <sup>G</sup> alright <sup>D</sup>  
<sup>A</sup> But I see through your white <sup>D</sup> lies  
<sup>Bm</sup> But these walls don't <sup>G</sup> talk  
<sup>D</sup> And if they could, they'd <sup>A</sup> say <sup>D</sup>

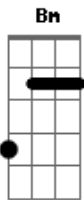

<sup>Em</sup> Can't hide the <sup>D</sup> secrets  
<sup>G</sup> You can't forget about this <sup>A</sup> mess <sup>Bm</sup>  
<sup>G</sup> I'm waiting on the <sup>A</sup> sidelines  
<sup>Bm</sup> From the <sup>D</sup> sidelines  
<sup>D</sup> Just roll up a <sup>G</sup> cigarette  
<sup>D</sup> Just forget about this <sup>A</sup> mess  
<sup>Bm</sup> Been waiting on the <sup>D</sup> sidelines  
<sup>D</sup> From the <sup>G</sup> sidelines

<sup>D</sup> I see those <sup>G</sup> tears in your eyes  
<sup>D</sup> And I feel so <sup>A</sup> helpless inside <sup>Bm</sup>  
<sup>D</sup> Oh love, there's <sup>G</sup> no need to <sup>Bm</sup> hide  
<sup>D</sup> Just let me love you when your heart is <sup>A</sup> tired <sup>Bm</sup>  
<sup>D</sup> If your ghost pulls you up <sup>G</sup> high  
<sup>D</sup> And it feels like you've lost who you are <sup>Bm</sup>  
<sup>D</sup> My love, there's <sup>G</sup> no need to <sup>Bm</sup> hide  
<sup>D</sup> Just let me love you when your heart is <sup>A</sup> tired <sup>Bm</sup>  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you  
<sup>D</sup> Just let me love you when your heart is <sup>A</sup> tired <sup>Bm</sup>
