I?ve seen them kneel with baited breath for the ritual

I?ve watched this experience raise them to pseudo higher levels

I?ve watched them leave their families in pursuit of your nirvana

I?ve seen them coming to line up from Switzerland and America

Gbm G Gbm G

How long will this take baba, how long have we been sleeping

Gbm G Gbm Riff 2

Do you see me hanging on to every word you say

Gbm G Gbm G

How soon will I be holly, how much will this cost guru

Gbm G Gbm G Gbm

How much longer 'til you completely absolve me

Riff 1

I?ve seen them give their drugs up in place of makeshift altars

I?ve heard them chanting kali kali frantically

I?ve heard them rotely repeat your teachings with elitism

I?ve seen them boasting robes and foreign sandalwood beads

Chorus

Riff 1

I?ve seen them overlooking God in their own essence

I?ve seen their upward glances in hopes of instant salvation

I?ve seen their righteousness mixed without loving compassion

I?ve watched you smile as the students bow to kiss your feet

Chorus

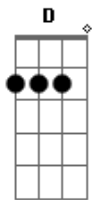

Gbm G Gbm G

Give me strength all knowing one, how long 'til enlightenment

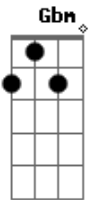

Gbm G Gbm Riff 2

How much longer 'til you completely absolve me
