

# Alanis Morissette - Giggling Again For No Reason

Tom: C

Am C G  
 I am driving in my car up highway one  
Am C G  
 I left LA without telling anyone  
Am C G  
 There were people who needed something from me  
Am C G  
 But I am sure they'll get along fine on their own  
  
Am C G  
 Oh this state of ecstasy  
Am C G  
 Nothing but road could ever give to me  
Am C G  
 This liberty wind in my face  
Am C G  
 And I'm giggling again for no reason  
  
(Am C G)  
 I am dancing with my friends in elation  
 We've taken adventures to new levels of fun  
 I can feel the bones are smiling in my body

I can see the meltings of inhibition  
(Am C G)  
 Oh this state of ecstasy  
 Nothing but road could ever give to me  
 This liberty wind in my face  
 And I'm giggling again for no reason  
  
(Am C G)  
 I'm reeling jubilation  
 Triumphant in delight  
 I am at home in this high five  
 And I'm smiling for no reason  
  
(Am C G)  
 I am sitting at the set of cali sun  
 We've gotten quiet for its' last precious seconds  
 I can feel the salt of the sea on my skin  
 And we still hear the echoes of abandon  
  
(Am C G)  
 Oh this state of ecstasy  
 Nothing but net could ever give to me  
 This liberty wind in my face  
 And I'm giggling again for no reason
