

# Alanis Morissette - Hands Clean (acoustic)

Tom: G

Riff 1

(Riff 1)

If it weren't for your maturity none of this would have happened  
 If you weren't so wise beyond your years I would've been able to control myself  
 If it weren't for my attention you wouldn't have been successful and  
 If it weren't for me you would never have amounted to very much

Riff 2

(Riff 2)

Oooooh this could be messy  
 But you don't seem to mind  
 Oooooh don't go telling everybody  
 And overlook this supposed crime

And no one knows except the both of us

Tab 1

And I have honored your request for silence

Tab 2

And you've washed your hands clean of this

(Riff 1)

You're essentially an employee and I like you having to depend on me  
 You're kind of my protégé and one day you'll say you learned all you know from me  
 I know you depend on me like a young thing would to a guardian  
 I know you sexualize me like a young thing would and I think I like it

(Riff 2)

Oooooh this could get messy  
 But you don't seem to mind  
 Oooooh don't go telling everybody  
 And overlook this supposed crime

(Riff 4)

What part of our history's reinvented and under rug swept?  
 What part of your memory is selective and tends to forget?

(Riff 1)

Just make sure you don't tell on me especially to members of your family  
 We best keep this to ourselves and not tell any members of our inner posse  
 I wish I could tell the world cuz you're such a pretty thing when you're done up properly  
 I might want to marry you one day if you watch that weight and keep your firm body

(Riff 2)

Oooooh this could be messy  
 But you don't seem to mind  
 Oooooh don't go telling everybody  
 And overlook this supposed crime
