

# Alanis Morissette - I Miss The Band

tom:

Intro: F Eb Bb Eb  
Bb Eb

The inside joke well understood

The nudge nudge wink wink

and finishing each other's harmonies

The late night drive through italian roads

trains pulling out and we're all in on the secret

where did you go

we are a league to be reckoned with

as we run all around the planet

and I miss the band

1 1 = 50

and I am imploding without you

and there's not a day that goes

by where I don't hear

our music in my head

where I don't miss

traveling in your company

we're on a plane

we're in Japan

in baggage claim I ask what

city we just landed in

the paper slips under the hotel door

I'm shaking all hands

a the hum-of-the-road keeps me happy

where did you go

I thought we'd meet at the temple

as we run all around this world
