

# Alanis Morissette - I Was Hoping

Tom: F

Verse

**Dm**  
 As we were talking outside it was cold we were  
**Bb Gm**  
 shivering yet warmed by the subject matter my wife  
**Dm**  
 was in the next room we've been having troubles you know  
 please don't  
**Bb Gm**  
 tell her or anyone but I need to talk to somebody  
**Dm**  
 you said "wouldn't it be a shame if I knew how great I was  
 five  
**Bb Gm**  
 minutes before I died I'd be filled with such regret before  
**Dm**  
 I took my last breath" and I said "you're willing to tell me  
 this now and you're  
**Bb Gm**  
 not going to die anytime soon" and I said

**Dm**  
 I haven't been eating chicken or meat or anything and you said  
 yes but  
**Bb Gm**  
 you've been wearing leather  
**Dm**  
 and laughed and said we're at the top of the food chain and  
 yes you're still a fine woman and  
**Bb Gm**  
 I cringed

Chorus:

**Dm C**  
 I was hoping I was  
**Gm**  
 hoping we could heal each other  
**Dm C**  
 I was hoping I was  
**Gm**  
 hoping we could be raw together
