

Alanis Morissette - Madness

Tom: E
Intro:

B **E** **B** **E**
I've been most unwilling to see this turmoil of mine
B **E** **E**
The thought of sitting with this has me paralyzed
B **E** **B** **B**
With this prolonged exposure to near and averted eyes
B **E**
I think that I've been waiting
B **E**
such mileage for empathizing

B (SOLO FUNDO: B|--14--11--12--)

Now I see the madness in me

Its brought out in the presence of you
B (SOLO FUNDO: B|--14--11--12---9--
-7--)

Now I know the madness lives on

E
When you're not in the room
B (SOLO FUNDO: B|--14--11--12--)
Though I would love to blame you for all

I wish these moments of our platoon
B (SOLO FUNDO: B|--16-9-7---9--)

You simply brought this madness to light

E
And I should thank you

B **E**
Oh thank you, much thanks for this birds eye view
B **E** **B**

E)
Oh thank you, for your most generous triggers

B **E**)
Its been all too easy to cross my arms and roll my eyes
the thought of dropping all arms leaves me terrified

B **E**)
Now I see the madness in me
its brought out in the presence of you
now I know the madness lives on, when you're not in the room
though I would love to blame you for all I wish these moments
of our platoon
You simply brought this madness to light and I should thank
you

B **E**)
Oh thank you, much thanks for this birds eye view
Oh thank you, for your most generous triggers

B **E**)
I've had to give up knowing and give up and being right
You win, inverted hero, you angle in the sky

B **E**)
Now I see the madness in me
its brought out in the presence of you
now I know the madness lives on, when you're not in the room
though I would love to blame you for all I wish these moments
of our platoon
You simply brought this madness to light and I should thank
you

B **E**)
Oh thank you, much thanks for this birds eye view
Oh thank you, for your most generous triggers (ooh)
