

Alanis Morissette - Moratorium

Tom: C
Intro:

Bbm **F** **Bbm** **F**
I?ve never been this accountable-less and within
Bbm **F** **Bbm** **F**
I?ve never known focusless-ness on any form
Bbm **F** **Bbm** **F**
I?ve never had this lack of ache for dalliance,
Bbm **F** **Bbm** **F**
To let go, and let god in ways I have never even imagined

Bbm **F**
I declare a moratorium on things relationship
Bbm **F**
I declare a respite from the toils of liaison
Bbm **F**
I do need a breather from the flavors of entanglement
Bbm **F**
I declare a full time out from all things commitment

(**Bbm** **F**)
I?ve never let my grasp soften fingers like this

I?ve never been careless otherless like autonomy?s twin

(chorus)

Cm **G**
Ah to breathe
Cm **G**
Stop looking outside
Cm **G** **Cm**
Stop searching in corners of rooms
G
Not my business or timing
Cm **G**
Ahhh

(**Bbm** **F**)
I?ve never known freedom from intertwining
I start again this time for keeps in my skin I?m residing

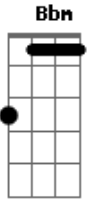

(chorus)
