

Alanis Morissette - No

Tom: C

(2x)

Am F Dm E
 my mind is invaded, my gates are ignored
 my thoughts are negated and you're on a roll
 and I am offended by your acts of shamelessnes
 your lack of conscience and your flagrant steamroll

Am F Dm E
 my sorrow is left off, my rage is discounted
 my fears are founded, this dam is no more

Refrão:

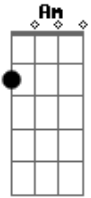

Am F Dm E
 what part of no do you not understand, do you not understand

Am F Dm E
 don't touch me, my body is frozen thanks to you
 and I've sat with these secrets, I'm no longer willing to
