 (Chords repeat like scheme above)

Every time I'm confused
 I think there must be easier ways
 Every time our horns are locked on toweling throwing
 Every time we're at a loss, we've bolted from difficulty
 Anytime we're still made of final bowing

My tendency to want to hide away feels easier and
 The tendency is picturing another place comforting to go
 C
 The only way out is through
 C
 The faster we're in the better
 C G G7
 The only way out is through ultimately
 C
 The only way out is through

C
 The only way we'll feel better
 C G G7 C
 The only way out is through ultimately
 BRIDGE 2:
 F G Am
 We could just walk away and hide our hands in the sand
 F G C
 We could just call it quits, only to start over again
 Am
 With somebody else

Every time we're stuck in struggle, I'm down for the count
 that down
 Every time I dream of quick fix I'm swaged
 Now I know it's hard when it's through
 And I'm damned if I don't know quick fix way
 But formerly mistreat me silence now outdated

My tendency to want to run feels unnatural now
 The urgency to want to give to you what I want most feels good
 C
 The only way out is through
 C
 The faster we're in the better
 C G G7
 The only way out is through ultimately
 C
 The only way out is through
 C
 The only way we'll feel better
 C G G7 C
 The only way out is through ultimately
