

Alanis Morissette - Precious Illusions

Tom: Gb

Ps.: Pelo CD dá para perceber que a guitarra está desafinada (pelo som são cordas soltas), mas aqui está com a guitarra afinada.

1-) Eb Db Eb Db
 You'll rescue me right? in the exact same way they never did
 I'll be happy right? when your headling powers kick in
 (repete)
 2-) Eb Ab Db Eb
 But this won't work now the way it once did
 And I won't keep it up even though I'd love to
 Once I know who I'm not I still don't know who I am

But I know I won't keep on playing the victim...

Refrão:
 Eb Db Eb Db Ab Db Gb Eb
 These precious illusions in my head Did not let me down when I
 was defenseless and parting with them
 is like parting with invisable best friends

Repete desde o começo
 3-) Eb B Gb Eb
 I've spent so long firmly looking outside me
 I've spent so much time living in survival mode

Repete n2 e o refrão 2x

Acordes
