

Alanis Morissette - Professional Torturer

Tom: **B**

(com acordes na forma de)
Capotraste na 2ª casa
Riff 1:

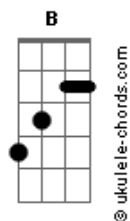

(Riff 1)

Infatuation
Court well meant
'Cause I'm the easiest to sway
Catch my fancy and commitment
Riding fresh can stay

One by one conditions change
Slippery slope yields shekled face and
Gone are the days of snare and twill
An admission to sexy hell

Riff 2:

Acordes

(Riff 2)

I don't my crown and moniker claim as professional torturer
As me a culprit I renounce my name
Professional torturer

(Riff 1)

Eyebrows raise and façades do fade
Poised refrained as peculiare
Hands still hold but gazes abate
This masochism enfolds me

(Riff 2)

I don't my crown and moniker claim as professional torturer
As me a culprit I renounce my name
Professional torturer

I don't my crown and moniker claim as professional torturer
For you my boy I renounce my name
Professional torturer
