

Alanis Morissette - Smiling

tom:

 This is a life of extremes
 Both sides are slippery and enticing
 These are my places off the rails

 This loose recollection of the falling
 Barely remember who I failed
 I was just trying to keep it together
 (Cm C)

[Refrão]

Em7 C
 This is the first wave of my white flag
 This is the sound of me hitting bottom
 This is my surrender if that's what you call it
 And the anatomy of my crash

G Cm G
 And I keep on smiling
 Keep on moving
 Can't stand still
 (Cm)

G Cm G
 Me the ceiling-less great achiever
 Me the notorious perfect mother
 Lord to the ends of overwhelm
 (Cm C)

[Refrão]

Em7 C
 This is the first wave of my white flag
 This is the sound of me hitting bottom
 This is my surrender if that's what you call it
 And the anatomy of my crash

 And I keep on smiling
 Keep on moving
 Can't stand still
 (Cm)

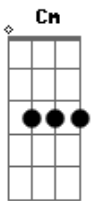

G Cm G
 Such pretty forks in the road
 On this continuum I've been bouncing
 Life-flashing promise before my eyes

 This is the first wave of my white flag
