

Alanis Morissette - So Unsexy

Tom: E

Letra e Música (Lyrics and Song by): Alanis Morissette

Int.: E Gbm E B (2X)

E Gbm E B
 Oh these little rejections how they add up quickly
 E Gbm E B
 One small sideways look and I feel so ungood
 E Gbm E B
 Somewhere along the way I think I gave you the power to make
 E Gbm E B
 Me feel the way I thought only my father could

E Gbm E B

Oh these little rejections how they seem so real to me
 One forgotten birthday I'm all but cooked
 How these little abandonments seem to sting so easily
 I'm 13 again am I 13 for good?

E Gbm E B

Refrão (Chorus):

E Gbm E B E
 I can feel so unsexy for someone so beautiful
 Gbm E B
 So unloved for someone so fine
 E Gbm E B E
 I can feel so boring for someone so interesting
 Gbm E B

So ignorant for someone of sound mind

E Gbm E B

Oh these little protections how they fail to serve me
 One forgotten phone call and I'm deflated
 Oh these little defenses how they fail to comfort me
 Your hand pulling away and I'm devastated

E Gbm E B

Refrão (Chorus)

E Gbm E B

Am B
 When will you stop leaving baby?
 Am B
 When will I stop deserting baby?
 Am B E
 When will I start staying with myself?

Oh these little projections how they keep springing from me
 I jump my ship as I take it personally
 Oh these little rejections how they disappear quickly
 The moment I decide not to abandon me

E Gbm E B

Refrão (Chorus) (2X)

E Gbm E B (...)
 termina com E
