

Alanis Morissette - Woman Down

Tom: **A**
Intro: **Gb F**

Main Riff ao longo dos versos (faz total diferença!)

First woman down was your mother
She did condone how you behave
All you could see was your father
His disrespect was in her face
Next woman down was your sister
Her silence did corroborate
She took her cues from the climate
And never knew another way
(No chords/ Sem Acordes)
Who do you take me for

Gb **F**
Calling all woman haters
Gb **F**
We've lowered the bar on the
Gb **F** **E**
Behavior that we will take come on now
Gb **F**
Calling all lady haters
Gb **F**
Why must you vilify us

Gb **F** **E**
Are you willing to clean the slate woman down
Gb **F**
Woman down, oh
(End on: **A Abm B Gb**)

(Repete Riff inicial ou fica fazendo **Gb F**)

Next woman down was your lover
She takes your spite at value face
Even her hair length and color
Gives you the impulse to repeat
(No chords/ Sem Acordes)
Who do you take me for

Refrão (mesmo anterior/ same as before)
Calling all woman haters
We've lowered the bar on the
Behavior that we will take come on now
Calling all lady haters
Why must you vilify us
Are you willing to clean the slate woman down
Woman down, woman down, oh

Verse (Main Riff/ **Gb F**)

Next woman down is your daughter
A stranger to being debased
She has a new lease and limit
On the abuse she'll tolerate

Who do you take me for

Calling all woman haters
We've lowered the bar on the
Behavior that we will take come on now
Calling all lady haters
Why must you vilify us
Are you willing to clean the slate woman down
Woman down
End on/ Final em **F#**
