

Alberto Ribeiro - Sonho de Papel

tom: C

E o Balão vai subindo, vem caindo a garoa

O céu é tão lindo, a noite é tão boa

São João, São João, acende a fogueira no meu coração

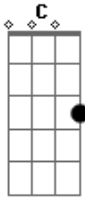

Am E7 F E
 Sonho de Papel a girar na imensidão

Dm Am D7 G7
 Soltei em teu louvor um sonho multicolor: Ó meu São João

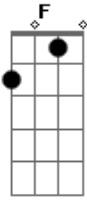

Am E7 F E
 Meu Balão azul foi subindo devagar

Dm Am D7 G7
 O vento que soprou, meu sonho carregou, não vai mais voltar
