

Alberto Rosende - Nighthshade

tom:

A
 Dbm A
 Let me down and I'm right here where you want me
 E Ab Dbm A
 All your words, but it hurts I'm a thorn on a vine
 E Ab
 Hanging on every line

Dbm A
 Let me in and I'll never try to save you
 E Ab Dbm A
 Fever hearts, burning dark, I'm a fire in the rain
 E Ab
 Hanging on every flame

E Ab
 But you, ooh you leave me paralyzed
 Dbm A B7
 And you bring me back a thousand times
 E Ab
 Oh you, sweeter than your hold over me
 Dbm A Am
 Tainted too, you take my breath away
 Dbm A
 Nighthshade, Heeeeey
 E Ab

Nighthshade, Heeeeey

Dbm A
 Waves of pain, but you know that I won't rush you
 E Ab Dbm A
 Poisoned fruit, by the root and I can't get enough
 E Ab
 You can take what you want

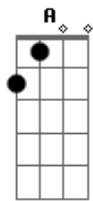

E Ab
 But you, ooh you leave me paralyzed
 Dbm A B7
 And you bring me back a thousand times
 E Ab
 Oh you, sweeter than your hold over me
 Dbm A Am
 Tainted too, you take my breath away

Dbm A
 Nighthshade, Heeeeey
 E Ab
 Nighthshade, Heeeeey

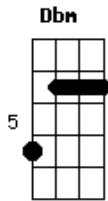

Dbm A
 Nighthshade, Heeeeey
 E Ab
 Nighthshade, Heeeeey
