

Albion Place - I Will Not Forget

Tom: G

Can't seem to move on
 Can't even get my groove on
 Couple of them Woodstocks later
 Now I can't remember what I'm even worried about

Drowning my sorrows
 18 empty bottles
 Opening my Bible -tryna stop myself from leaving this world
 All over a break up
 I thought we would just make up
 But I was mistaken
 And then my heart started breaking
 Girl how could you do this
 We've already been through this
 I'm clueless
 On what to do here, Screw it
 I'm sorry

Oh
 Oh
 I said, I'm sorry

Coz when them lights go down low
 Down girl you go
 Around girl you get
 I will not forget
 The good and the bad times
 In this life there's no rewind
 This is the first and the last time
 I said I'm sorry

Oh
 I said I'm sorry

Oh
 I said, I'm sorry

Maybe I thought too much
 Maybe I didn't think enough
 The truth is, you used me, I'm clueless

I not enough
 I guess I'm used to girls that care
 But you just didn't care
 Did you ever care
 Cause girl I cared so much

(Dm Am F Dm Am)

Psychologically you probably couldn't follow me
 You're popping mollies constantly while lying fresh up under T
 And I guess he is a heartbreaker oh my god yes he is
 You're the worst that I've ever met
 You either have or you haven't or you haven't yet
 Lest I forget the pain that I endured
 Socrates' philosophies couldn't guide me through a colder war
 What's that? You felt pain too?

Try imagine all the trouble that you put me through and I
 don't know why I said sorry to you
 cause in the end girl I will not forget

Coz when them lights go down low
 Down girl you go
 Around girl you get
 I will not forget
 The good and the bad times
 In this life there's no rewind
 This is the first and the last time
 I said I'm sorry
