

Alcione - Coração da Sanfona

tom:

Intro: Bm Gb Bm

O coração da sanfona é o zabumba

Ele bate a sanfoninha geme

Como eu, minha perna chega treme

Quando o meu começa acelerar

E eu fico no meio da dança

Esperando o bem encontrar

Coração zabumbando no peito

Tô gemendo e querendo chorar

E quando vejo naquele resfulêgo

O soluço de uma melodia

0 zabumba batendo que alegria

Muita gente não vai entender

E derradeira esperança morre

Contra o tempo não vale correr

A sanfona machuca meu peito

E o zabumba me ajuda a viver
