Apesar, das peneiras taparem o sol
 Vou cantar, dos escombros do arrebol
 Apesar, dos colombos de pedigris
 Vou cantar, nas carreiras do povo e ouvir bis

Apesar, dos sanhaços da lucidez
 Vou cantar, o que querem cantar vocês
 Apesar, dos percalços do meu viver

Vou cantar e cantar é a missão que deu-me o ser

E cantarei, cantarei, cantarei
 Enquanto forças, eu tiver...
 E houver quem me ouça

Eu cantarei, e cantarei, e cantarei
 Eu cantarei, e cantarei, e cantarei
 Enquanto forças, eu tiver...
 E houver quem me ouça
