

# Alcione - Lá Vem Você

Tom: C

Intro: Am

Você...chega em casa mais cedo...na volta do emprego

Me abraça me beija.....me faz um chamego

Diz que vai na rua..e..não vai demorar

Porém na esquina da rua existe um barraco

De onde um amigo acena com taco

Chamando você....pra jogar um bilhar

Aí, você vai pra que o amigo não fique sem graça

E pede ao garçon pra trazer a cachaça

Esquece que a vida é um eterno voltar

Lá vem dor no peito

Mas também pra mim bem feito

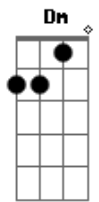

Que não sei deixar você

Lá vem dor no peito

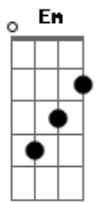

Mas também pra mim bem feito

Que não sei deixar você
