

Alcione - Xequê - Mate

Tom: F

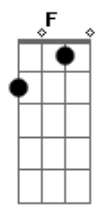

Sei que o amor entre nós É uma causa perdida
 Que é uma luta difícil demais de ganhar
 Só que eu não sou de levar Xequê-mate da vida
 E toda vez que eu cair eu torno a levantar
 E para cada final eu encontro um começo

Pra teu adeus eu respondo um: "Alô, como vai ?"

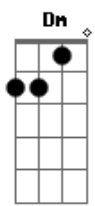

Se precisar posso até me virar pelo avesso
 Pra te provar que você dos meus braços não sai

Jogo a chave fora tranco a porta se fugir eu vou te buscar
 Gosto tanto de você que o meu amor talvez te faça ficar
 E até quem sabe tudo acabe em flores lindo final feliz
 E você me queira desse jeito que eu sempre te quis
