

Aldir Blanc - Recreio das Meninas

tom:

Intro: G7M Am7 D7

G7M Bb

Eu fui de bengala, tossindo, com febre

Lá no Renascença

Porque em toda a vida o samba

Foi cura pra minha doença

Sentei no meu canto

Uma voz perguntou

- "O que que vai querer?"

Perdi a cabeça e falei pra menina

- Eu queria você

Um riso de aurora acolheu meu ocase

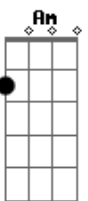

C7M Bm7

E a pressão subiu

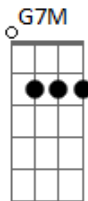

Peguei meu remédio mas as mãos tremiam

E o vidro caiu
