

Ale de Maria - Despertar

tom:

A

Quando a porta se abriu e a primavera florir, o despertar
 Quando surgir lá no céu, a estrela azul do arcanjo Miguel
 O despertar

Quando a canção renascer entoar o ohm no alvorecer, o despertar

O canto dos rezadores, o beijo dos beija-flores, o despertar

Raiou no Sol, o cruzeiro do céu, viva Jesus, viva o arcanjo Miguel

Viva a falange dos anjos cantores, rezando essa aldeia

Brilha a Lua de mamãe Maria, chuva de flores no céu da alegria

É mamãe cantando aos filhos da terra, o despertar

Quando a canção renascer, entoar o ohm no alvorecer, o despertar

O canto dos rezadores, o beijo dos beija-flores, o despertar

Raiou no Sol, o cruzeiro do céu, viva Jesus, viva o arcanjo Miguel

Viva a falange dos anjos cantores, rezando essa aldeia

Brilha a Lua de mamãe Maria, chuva de flores no céu da alegria

É mamãe cantando aos filhos da terra, o despertar

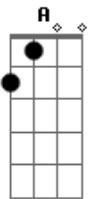

Raiou no Sol, o cruzeiro do céu, viva Jesus, viva o arcanjo Miguel

Viva a falange dos anjos cantores, rezando essa aldeia

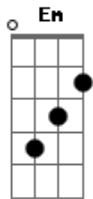

Brilha a Lua de mamãe Maria, chuva de flores no céu da alegria

É mamãe cantando aos filhos da terra, o despertar
