

Alec Benjamin - I'm Not a Cynic

tom:

Bb (forma dos acordes no tom de A)

Capostrate na 1ª casa

[Primeira Parte]

I'm just being realistic, being honest with myself
 I've tried being optimistic but it doesn't seem?to help
 So I'll just have to admit this is the hand that I've been dealt
 I'm not being pessimistic, just being honest with myself

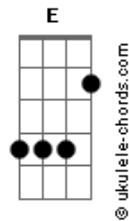

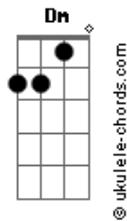

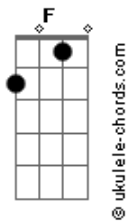

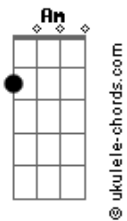

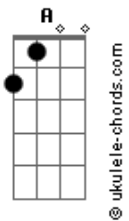

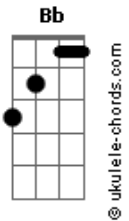

[Refrão]

I'm not a cynic, oh, today's just not my day
 I've tried to spin it 'bout a thousand different ways
 But from every angle oh, the outlook is the same
 I swear that I'm not a cynic, my glass just has no water in it today
 Ooh, ooh, ooh I swear that I'm not a cynic, my glass just has no water in it

[Segunda Parte]

You only get that what you're given, it's not always up to you
 Not every Sunday is a picnic, 'cause the sky ain't always blue
 You can't just change the weather by changing your point of view
 Some days you have to wait until the storms have passed

[Terceira Parte]

So like a boat on the ocean, I'll rock with the waves
 God, I'm so sick of this notion that I have to fake
 Fake my emotion and pretend I'm okay
 So like a boat on the ocean, I'll just rock with the waves
